

Citizen Corps Monterey County Statement of Intent to Serve

I, _____, representing _____, agree to serve on the Citizen Corps Monterey County Council and to actively support efforts to further the mission of the Council.

I understand that the CCMC meets monthly and that regular attendance at these meetings is vital to my organizations understanding of the work of the Council and to the Council's success. As a representative of my organization or interest group serving on the Monterey County Citizen Corps Council, I agree to attend or assure that our other qualified representative, if any, attends as many meetings as possible. I understand that if my organization or interest group fails to attend six (6) or more meetings in a twelve (12) month period my organization or interest group will forfeit its right to vote on issues coming before the Council. I further understand that my organization or interest group's right to vote on business coming before the Council will be reinstated at the fourth meeting following attendance by a qualified representative at three consecutive meetings of the Council.

I understand that I may be asked to participate in committees, work groups, special events, and training exercises of the Citizen Corps Council or its member organizations or interest groups.
